June 8. 1849.

My dear Sir,

I received a short time  
ago your obliging letter of April  
21<sup>st</sup> and have to say in  
reply that I was not at all  
aware that "The Liberty Bell"  
was an annual; otherwise  
I sh<sup>d</sup>. not have ventured to  
ask for a copy of it. I am  
quite willing that the verses  
which I sent should wait till  
the usual season or which  
the annual is published,  
and I have no doubt  
that I shall have the oppor-  
tunity of seeing them in the  
hands either of Mr. Sturtevant

of some other warm friend  
to the cause which you  
have so meritoriously taken  
up.

Wishing you all suc-  
cess in your laudable efforts,  
I am &c dear Sir,  
very truly yours  
S. Wood

Rev. S. May Junr

I shall see Mr. Hutton  
this evening, and will  
remember you to him.
